Our Vision

We endeavor to improve education by funding programs that enhance school curriculum and teaching practices. Through partnerships with individuals and businesses, the Foundation seeks to ensure every student has competency and resources that will lead to a successful career. We believe that the most important investment decision we could make is to invest in the future of our youth.

Our Mission

The mission of the Frederick County Educational Foundation is to provide financial resources to Frederick County Public Schools to enhance the educational opportunities for our students.

Please Help Complete the Mission

You can help complete the mission by making a contribution through a payroll deduction. Every gift is important and every gift has the opportunity of enhancing a student's learning experience. Please complete and return the attached form to the Payroll Department.

Thank You
